MERCIO, originated in Australia, has been focusing on trendy bathroom products that emphasized on aesthetics, functions and durability. We have made a firm bid to market quality & ergonomic products based on our rigorous control of raw materials, comprehensive production process and a group of young R&D engineers that continuously exploring new bathroom concept. It is exclusively distributed by UniCasa Pty Ltd in Australia, a subsidiary of Casa Holdings Ltd which is a public listed company in the Stocks Exchange of Singapore with more than 40 year experiences in the distribution of bathroom and kitchen products. This new set-up is an expansion of Casa's passion of bringing home solutions to bathrooms and kitchen across Australia; the objective is to provide quality, functional & efficient bathroom & kitchen products in creating your ideal home concept.

Our R&D team has gone into depth to understand more about customer needs for vanity cabinet. Hence, the latest collections, Gargano & Luna was designed with woodgrain texture constructed by 18mm plywood provide a natural look and logical storage space in your bathroom. Mix and match them with our stunning collection of Galu shaving cabinets will add a touch of class that is sure to impress. With the soft close drawers and extensive range of sizes, Mercio will have the right vanity for you.

What makes our cabinets special?

High quality material

Cabinets are made by 18mm plywood. It is recognized for its hardness and durability

Soft- closing:

Durable and reliable, there will not have any loud bang or accident of injuring your finger no matter how fast or hard you close the drawers

Aesthetic design

European design, 3 colours with different sizes and design to makes it easy to blend in your bathroom. You can choose to insert ceramic basin or stone top with table top basins for your cabinet.

Certificated waterproof

Water resistant and it gives you the best protection against moisturize damage

GARGANO

SERIES

Gargano range of woodgrain texture vanity is distinguished by its sleek and flush lines; no handle or angled door frame, it presented a strong architectural look and feel. Used the latest DTC push-rebound mechanism ensures its functionality and durability. At Mercio, we know your needs and pay attention to craftsmanship and bespoke design; with either a slim-edged ceramic basin or a modern stone-top options, they offer unrivalled flexibility to make up your dream bathroom. Available from 60 to 120cm in 3 different Thermofoil vacuum wrapped colors, the Gargano vanity brings together generous storage space and contemporary look in one perfect unit. Complete with Galu matching color mirror cabinet is sure to become the centerpiece of your bathroom.
